A GLOBAL STAGE A DEFINING PRESENCE

LEDVANCE AT LIGHT+BUILDING 2026 | March 2026

A DECADE IN THE MAKING

LEDVANCE used Light + Building 2026 as the stage to make its most ambitious statement yet. Celebrating ten years as an independent brand and over a century of lighting expertise, the company arrived in Frankfurt with a clear message: from lamp manufacturer to full-service lighting project partner, the transformation is complete and the momentum is only growing. Under the banner "Your Vision. Our Light.", **LEDVANCE** presented its most comprehensive portfolio to date, welcoming customers, partners and industry leaders from around the world.

LIGHT+BUILDING 2026 IN NUMBERS

The world's most important platform for lighting and building technology, attracting the entire industry in one place.
