CRONER

Expert Advice
with your
EDA Membership

EDA ELECTRICAL
DISTRIBUTORS'
ASSOCIATION

Membership Benefits

Through your membership with EDA, you have access to free advice and webinars from our trusted partner, Croner.

With the Employment Rights Act 2025 now enforceable by the Fair Work Agency, now is the time for businesses to ensure that they meet all the necessary compliance criteria. As such, we've enhanced our partnership with Croner to offer our members more resources than ever before.

You don't need to hire a solicitor for employment law advice, or employ a health & safety consultant to tighten up your policies and procedures.

Simply call **0844 561 8133** and have the EDA scheme membership number to hand: if you do not have this please call the EDA head office on **020 3141 7350** or email info@eda.org.uk

Croner Face2Face

On-site and in-person support and guidance through challenging HR meetings

Insurance

A legal insurance policy to protect you, cover costs, and provide peace of mind in the event of a claim

“We’ve always found the service we receive from Croner on HR and employment issues outstanding. We have relied on their help and support for as long as they’ve been associated with CMF and we would highly recommend to our fellow members to call on their expertise.

Harrison Castings

“In all the time I have dealt with Croner I have found them to be extremely informative and helpful. Their knowledge in employment law is extensive and I would always use them for assistance with employment law and safety issues.

M J Allen Castings & Machining Ltd
